000 589 24 07 00

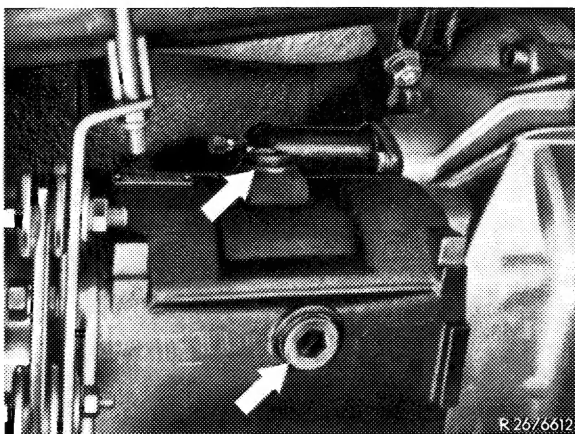

---

### Conventional tool

Wrench insert, 14 mm, 1/2" square

e. g. made by Hazet, D-5630 Remscheid, no. 985-14

---

- Unscrew closing plug of oil filler hole (upper arrow in illustration).

- The oil level is in order, if a negligible amount of oil emerges or if the oil level is at the lower edge of the opening.

If not, add oil.

- In the event of major oil losses, determine cause and repair.
